Re: In the Matter of: Public Service Company of
New Hampshire, et al (Seabrook Station, Units 1 and 2)
Docket Nos. 50-443-OL and 50-444-OL

Dear Judges:

Enclosed please find Seacoast Anti-Pollution League's proposed corrections to the transcript of the evidentiary hearings on the offsite emergency plans. This list of corrections is not exhaustive and does not cover the entire hearing record, but SAPL believes these corrections will assist the Board and parties in understanding what actually was said.

Very truly yours,

Robert A. Backus
