Dallas, Texas 75201

Gentlemen:

This refers to the inspection conducted by Mr. N. M. Terc of this office during the period August 9-11, 1988, of activities authorized by NRC Construction Permits CCPR-126 and CCPR-127 for Comanche Peak, Units 1 and 2, and to the discussion of our findings with Mr. T. Gosdin and other members of your staff at the conclusion of the inspection.

Areas examined during the inspection included a review of the operational status of the emergency preparedness program. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the NRC inspector. The inspection findings are documented in the enclosed inspection report.

Within the scope of this inspection, no violations or deviations were identified.

We have also examined actions you have taken with regard to previously identified inspection findings. The status of these items is identified in paragraph 2 of the enclosed report.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,
ORIGINAL SIGNED BY:

R. F. Warnick, Assistant Director
for Inspection Programs
Comanche Peak Project Division
Office of Special Projects
