Dear Mr. Spess:

Your July 22, 1988, "Request for an Enforcement Hearing" regarding the NRC staff's July 7, 1988, "Order Imposing a Civil Penalty" (in the proposed amount of \$500.00) has been referred to the appropriate Commission Offices. I anticipate that an Administrative Law Judge (ALJ) or a three person Atomic Safety and Licensing Board (ASLB) will be designated shortly. In the interim, I have been designated as the staff lawyer who will represent the NRC staff with regard to your hearing request. Pending the designation of an ALJ or an ASLB, please feel free to contact me should you have any questions regarding this matter. I may be reached by telephone at (301) 492-1529 or in writing at the address shown above. If you have retained legal counsel, please pass this letter on to him or her. In any event, once an ALJ or an ASLB has been designated by the Commission, I will contact you or your attorney, if you have retained one, to further discuss this matter.

Sincerely,

*Bernard M. Bordenick*
