Subject: Request for Plant Specific Emergency
Operating Procedures (EOPs)

Dear Mr. Gallo:

In response to W. T. Russell's letter of August 2, 1988, requesting copies of plant specific Emergency Operating Procedures (EOPs), the Philadelphia Electric Company will provide the NRC Region I office with controlled copies of the Limerick Generating Station and Peach Bottom Atomic Power Station EOPs by September 30, 1988. Your name and office will be added to the controlled copy distribution schedule for these procedures. We would appreciate your cooperation in ensuring that these controlled procedures are updated, as necessary, in accordance with the specific site's Administrative Procedure governing procedure control.

If you have any questions or require additional information, please do not hesitate to contact us.

Very truly yours,

cc: Addressee
W. T. Russell, Administrator, Region I, USNRC
