Docket No. STN 50-601

Document Control Desk  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Attention: Lester Rubenstein, Director  
Standardization and Non-Power Reactor Project Directorate

Subject: Request for Withdrawal of NS-NRC-88-3325, W. J. Johnson  
(Westinghouse) letter to Lester Rubenstein (NRC), dated April 20,  
1988, Amendment 2 to WAPWR RESAR-SP/90 PDA Module 13, "Auxiliary  
Systems"

Dear Mr. Rubenstein:

This submittal is for the purpose of requesting the withdrawal of all copies of NS-NRC-88-3325 (W. J. Johnson [Westinghouse] letter to Lester Rubenstein [NRC], dated April 20, 1988) and all attendant attachments. The attachments included withholding letter AW-88-038, R. A. Wiesemann (Westinghouse) to Lester Rubenstein (NRC), dated April 20, 1988, forty-one (41) copies of the Westinghouse Proprietary Class 2 version of Amendment 2 to Module 13, "Auxiliary Systems", and four (4) copies of the Westinghouse Non-Proprietary Class 3 version of the same document. The request for withdrawal is necessary to correct the erroneous amendment number from "Amendment 2" to "Amendment 3".

Our corrected document, Amendment 3 to RESAR-SP/90 PDA Module 13, "Auxiliary Systems", will be formally submitted in NS-NRC-88-3340. Thank you for your patience in this matter.

Very truly yours,

  
W. J. Johnson, Manager  
Nuclear Safety Department
