Chief, Licensing Branch  
Division of Civilian Application  
Atomic Energy Commission  
Washington 25 D.C.

Dear Sir:

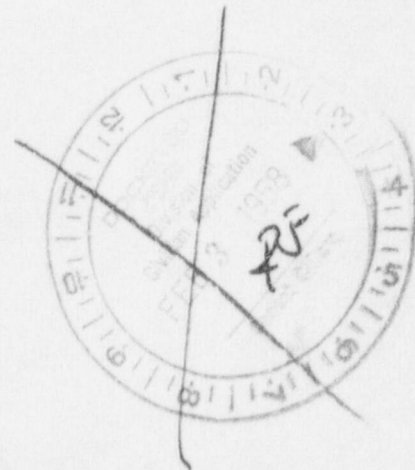

We have not received a reply to our application for renewal of Source Material License No. R-150. The application (copy enclosed) was addressed to Division of Construction and Supply which may account for the delay.

We hope the license can be issued at an early date as we are still active under our contract AT(49-6)-985.

Yours very truly,  
PORTER BROS. CORPORATION
