

May 17, 1988

Docket No.: 50-444

Mr. Robert J. Harrison  
President & Chief Executive Officer  
Public Service Company of New Hampshire  
Post Office Box 330  
Manchester, New Hampshire 03105

Subject: Extension of Construction Completion Date for Construction Permit  
CPPR-136-Seabrook Station, Unit 2

Dear Mr. Harrison:

We note that the construction permit for Seabrook Station - Unit 2  
(Construction Permit No. CPPR-136) is scheduled to expire on October 31,  
1988. Therefore, we request that you review 10 CFR 50.55(b) and determine  
whether you intend to let the permit expire (and forfeit all rights  
thereunder) or whether you will request an extension of the permit's completion  
date.

Your response to this request should be submitted to the NRC by October 1,  
1988. If you request an extension of the completion date of Construction  
Permit CPPR-136, your request should include appropriate justification for the  
extension request.

If you need further assistance in this matter, please contact Victor Nerses on  
(301) 492-1441.

Sincerely,

Richard Wessman, Director  
Project Directorate I/II  
Office of Nuclear Reactor Regulations
