Subject: Nuclear Export License  
Laguna Verde (Mexico) Reactor Recirculation Pump

Dear Ms. Wright,

Thank you again for your help on the phone. Here is the formal application request for your immediate processing. Included please find:

1. Signed application form 7
2. Supplement A. Itemizes the parts in the pending shipment
3. Supplement B. Itemizes the parts in the Reactor Recirculation Pump that may be shipped in the next several years
4. A check in the amount of \$2,800.00 made payable to the USNRC

As we discussed, there is an immediate need for the parts listed in Supplement A. to support an upcoming plant outage. Any help you may provide in processing the application quickly will be greatly appreciated.

Kindly review the attached documents and comment if necessary. My telephone number is (213) 584-1872 and FAX is (213) 588-4050

Sincerely,

John Calcagno
