In the Matter of
Baltimore Gas and Electric Company
(Calvert Cliffs Nuclear Power Plant, Units 1 and 2)
Docket Nos. 50-317-LR & 50-318-LR; ASLBP No. 98-749-01-LR

Gentlemen:

Enclosed please find BGE's Answer to Petitioner's Motion to Vacate and Reschedule the Pre-Hearing Conference, BGE's Answer to Petitioner's Motion Requesting to be Informed of Communication Between the NRC Staff and Applicant, and BGE's Answer to Petitioner's Notice of Filing. BGE is not responding to the National Whistleblower Center's "Status Report," because NWC specifically states that the status report does not represent contentions and does not provide any basis for contentions. See Status Report at 2, 10.

Sincerely,

David R. Lewis
Counsel for BGE
