Subject: GAP v. NRC, No. 87-2053, D.D.C. (CRR).

Dear Ms. Young:

Pursuant to our settlement agreement, we are releasing all documents at issue in Count 1 of the above-captioned case. Therefore, I have forwarded copies of these documents to the Freedom of Information and Privacy Act Branch ("FIPB") of the Division of Rules and Records ("DRR") so that the FIPB may place them in your client's folder, FOIA-86-387, in the NRC's Public Document Room ("PDR"). The FIPB will notify you when that action occurs.

According to our agreement, GAP will submit a clarified request resolving FOIA-86-81, which was at issue in Count 2 of this case.

Thank you for your assistance in resolving this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Charles E. Mullins".

GAP is requesting the above information as part of an ongoing monitoring project on the adequacy of the NRC's efforts to protect public safety and health at nuclear power plants.

For any documents or portions of documents that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld.
