In the Matter of  
FINLAY TESTING LABORATORIES, INC.  
Byproduct Material License  
Docket No. 30-13435 EA-87-186 ASLBP No. 88-559-01-SC

Dear Mr. Evans:

Enclosed is a subpoena for your appearance and testimony at the hearing regarding Finlay Testing to be held in Honolulu commencing on May 18, 1988. Your subpoena specifies a date and time when you are commanded to appear at the location stated. Please be at that location at the time indicated, so that the hearing may proceed without interruption. If your testimony will not be given until later that day or on some subsequent day, I will so advise you at that time. Failure or refusal to obey this subpoena may be referred under § 233 of the Atomic Energy Act of 1954, as amended, 42 U.S.C. 2281, to the United States Department of Justice to request a court order requiring your appearance and testimony. Failure to comply with such an order may be punishable by the court as contempt. If, for some reason beyond your control, you will be unable to appear at the date and time indicated, please promptly contact me at (301) 492-1537. If you do not have access to a business telephone, you may call toll free to (800) 426-8096 and ask for me on extension 21537.

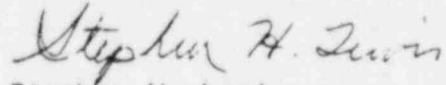

Additionally, enclosed is Standard Form 1157, Claim for Fees and Mileage of Witness. You should fill out this form and submit it to me after your appearance and testimony. The NRC will pay you a witness fee (except for witnesses who are U. S. Government employees) and will reimburse you for the costs of transportation between your place of business or residence and the Federal Building and any parking fees.

NRC Form 279, Official Travel Authorization, is also enclosed. This form authorizes your travel between your residence and Honolulu for the hearing and your costs for housing and food while in Honolulu in connection with the hearing, up to the maximum indicated. Please make your airline arrangements by contacting Dimensions Travel at (301) 986-8949. Identify yourself as a witness for the hearing to be held regarding Finlay Testing in Honolulu and request travel arrangements for the dates indicated on the Form 279.
