Secretary of the Commission
United States Nuclear Regulatory Commission
Washington, DC 20555

Dear Secretary:

This letter follows my earlier letter of April 25, 1988 to you regarding the City of Berkeley's interest in the "proposed change in license facility No. R-101 (Docket #50-224)".

Unfortunately, an unedited copy, a draft, was sent to you rather than a final version. I respectfully ask that you accept the the attached May 10 letter as a substitute, and that you destroy the April 25, 1988 version.

I thank you for your courtesy in considering my letter.

Sincerely yours,

Ronald V. Dellums
Member of Congress
