Region IV Utility Meeting

Gentlemen:

By letter dated February 3, 1986 (ØCANØ286Ø2) you invited representatives of Arkansas Power & Light to attend a meeting of Region IV utilities to be held on March 19 and requested confirmation of our attendance.

I feel that meetings such as you have proposed are very worthwhile and beneficial. Both Mr. John Griffin and I plan to attend and look forward to meeting with you. The experience gained from meetings among you and the various Region IV utilities should prove to be beneficial to all of us in our continuing efforts to support the safe and efficient operation of our nuclear power facilities.

Very truly yours,

T. Gene Campbell
