Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, no violations or deviations were identified.

The enclosed Inspection Report documents an oral commitment (see paragraph 3.b) made by a licensee representative and discussed in the exit interview. If your understanding of this commitment differs from the report statements, please inform this office promptly.
