Amendment #152, July 15, 1988
File: A-53

Dear Sirs:

Iowa Electric has made changes to the Duane Arnold Energy Center Security Plan pursuant to the provisions of 10 CFR 50.54(p).

This change, noted as Security Plan Change 19, has been reviewed in accordance with the requirements of 10 CFR 50.54(p) and it is our determination that this change does not decrease the safeguards effectiveness of the Security Plan.

Changes of Amendment No. 152 are also incorporated in this Security Plan update and are noted as Security Plan Change 16A. Approval for Amendment No. 152 is documented in the referenced letter.

Because the Security Plan is bound before inserting it into three-ring binders, the entire Security Plan is being resubmitted.

Per 10CFR50.4, this transmittal includes the original transmittal letter with enclosures and three copies of the transmittal letter with enclosures.
