Gentlemen:

A letter dated September 14, 1988, issued a report of a routine safety inspection conducted by Messrs. T. M. Tongue and T. E. Taylor from July 10 through August 27, 1988, at the Braidwood Station. That letter incorrectly identified the enclosed report with numbers 50-456/87022(DRP); 50-457/87022(DRP). The correct report numbers are 50-456/88022(DRP); 50-457/88022(DRP). The report numbers are correctly indicated on the title page of the report itself. The NRC regrets any inconvenience caused by this mistake.

Sincerely,
