Subject: Revision to Radiological Emergency Plan

Dear Sir:

Enclosed please find, as Attachment A, revisions to Section 5.0 of the Seabrook Station Radiological Emergency Plan (SSREP). These revisions are clarifications and further improvements to the classification system detail which had been identified as a result of emergency preparedness drills and the exercise as well as further review of the guidance criteria of NUREG-0654, Appendix 1.

In addition to these revisions we are providing, in Attachment B, additional clarification for three classification items. These clarifications are in response to questions raised during discussion with the Staff.

The above referenced changes to Section 5.0 will be incorporated by a future revision to the SSREP. If you have any questions please call our Mr. James A. MacDonald at (603)474-9521, extension 2754.

Very truly yours,

John DeVincentis, Director
Engineering and Licensing
