

APPENDIX A

NOTICE OF VIOLATION

Terrence E. Sharett, M.D.
Rahway, New Jersey 07065

Docket No. 030-14979
License No. 29-18385-01

As a result of the inspection conducted on January 28, 1986, and in accordance with the NRC Enforcement Policy (10 CFR 2, Appendix C), the following violations were identified:

- A. 10 CFR 20.207 (a) requires that licensed materials stored in an unrestricted area be secured against unauthorized removal from the place of storage. 10 CFR 20.207 (b) requires that materials not in storage be under constant surveillance and immediate control of the licensee. As defined in 10 CFR 20.3 (a)(17), an unrestricted area is any area access to which is not controlled by the licensee for purposes of protection of individuals from exposure to radiation and radioactive materials.

Contrary to the above, as of January 28, 1986, a 80 millicurie strontium-90 source was stored in an unlocked cobalt-60 treatment room, which is an unrestricted area, and was neither under constant surveillance nor immediate control.

This is a Severity Level IV violation. (Supplement IV)

- B. Condition 15 of License No. 29-18385-01 requires that licensed material be possessed and used in accordance with statements, representations and procedures contained in an application dated January 30, 1984.

Item No. 12 of this application requires that ancillary personnel (ie. - housekeeping) whose duties may require them to work in the vicinity of radioactive materials will be provided with appropriate safety and educational lectures on an annual basis by the health physicist.

Contrary to the above, as of January 28, 1986, housekeeping personnel, who work in the vicinity of radioactive materials were not provided with appropriate safety and educational lectures on an annual basis by the health physicist.

This is a Severity Level IV violation. (Supplement VI)

Pursuant to the provisions of 10 CFR 2.201, Terrance E. Sharett, M.D. is hereby required to submit to this office within thirty days of the date of the letter which transmitted this Notice, a written statement or explanation reply, including: (1) the corrective steps which have been taken and the results achieved; (2) corrective steps which will be taken to avoid further violations; and (3) the date when full compliance will be achieved. Where good cause is shown, consideration will be given to extending this response time.
