Gentlemen:

SUBJECT: REPORT NOS. 50-338/86-03 AND 50-339/86-03

On January 6 - February 2, 1986, NRC inspected activities authorized by NRC Operating License Nos. NPF-4 and NPF-7 for your North Anna facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, no violations or deviations were identified.

Your attention is invited to unresolved items identified in the inspection report. These matters will be pursued during future inspections.

Should you have any questions concerning this letter, please contact us.

Sincerely,
