 Revision 12 to the ANO
Industrial Security Plan

Dear Mr. Yandell:

Our letter of November 2, 1987 (ØCAN1187Ø3) submitted Revision 12 to the ANO Industrial Security Plan. Included in that revision were changes to Section 3.1.2.1 to correct the inadvertent inclusion of changes proposed by Arkansas Power & Light Company (AP&L) to address the Miscellaneous Amendment revisions to 10CFR50 and 73 published in the August 4, 1986 Federal Register. As these changes have now been submitted under 10CFR50.90 in AP&L's letters of December 2, 1986 (ØCAN1286Ø3) and February 24, 1988 (ØCANØ288Ø3) it is no longer necessary that our Revision 12 changes to Section 3.1.2.1 be processed per 10CFR50.54(p). This information has been discussed with Ron Caldwell of your staff.

Very truly yours,

Dan R. Howard
