In the Matter of  
Texas Utilities Electric Company, et al.  
(Comanche Peak Steam Electric Station, Units 1 and 2)  
Docket Nos. 50-445 and 50-446 *OL*

Dear Administrative Judges:

In our letter of February 28, 1986, we informed the Board and parties that the Staff's Supplemental Safety Evaluation Report (SSER) evaluating the CPRT Program Plan would not be issued by the end of February as previously anticipated. Inadvertently, we neglected to state that the Staff currently expects that SSER to be issued by the end of March 1986.

Sincerely,

Lawrence J. Chandler  
Special Litigation Counsel
