Docket No. 50-123
License No. R-79

Dear Sir:

We have revised the Operator Requalification Program for the University of Missouri-Rolla Reactor to include the information you requested in your letter dated April 22, 1988. This information has been included on page 5 and page 11 in the Operator Requalification Program.

If you have any questions, please contact the facility manager at (314) 341-4236.

Sincerely,

M. Straka
Reactor Manager
