Notification of River Bend Station Plans to Provide Office Space to Non-RBS Personnel

File Nos.: G9.5

Ladies and Gentlemen:

The purpose of this letter is to provide voluntary notification of River Bend Station (RBS) plans to provide office space on an interim basis to non-RBS personnel. The West Feliciana Parish Community Development Foundation (WFPCDF) will be allowed to use a building located across the street from the RBS Training Center on an interim basis (approximately three years). While the WFPCDF occupies this space, the same Emergency Response requirements associated with non-site personnel within the Owner Controlled Area will apply (no special training and evacuate when notified). This subject was discussed with Mr. Dave Wigginton of your staff.

No commitments are contained in this letter. Should you have any questions or require additional information, please contact Mr. Bill Fountain of my staff at (504*) 381-4625.

Sincerely,

DNL for RJK/WJF

* Note: The RBS telephone area code is in the process of being changed from 504 to 225.
