Gentlemen:

SUBJECT: DOCKET NOS. 50-269, 50-270, AND 50-287

This acknowledges the receipt of your letter of August 8, 1988, which transmitted Revision 26 to the Oconee Physical Security Plan.

Our review of the changes has found most of them to be consistent with the provisions of 10 CFR 50.54(p). Accordingly, they are acceptable for inclusion into the plan. However, one change requires additional information as delineated in the enclosure to this letter. This was discussed on September 15, 1988, with Mr. R. Cross of your staff and Ms. C. Perny of this office.

The enclosure to your letter is being withheld from public disclosure because it contains Safeguards Information and must be protected in accordance with the provisions of 10 CFR Part 73.21.

The material enclosed herewith contains Safeguards Information as defined by 10 CFR 73.21 and its disclosure to unauthorized individuals is prohibited by Section 147 of the Atomic Energy Act of 1954, as amended. Therefore, the enclosure will not be placed in the Public Document Room.

Should you have any questions concerning this letter, we will be glad to discuss them with you.

Sincerely,
