Dear Dr. Grace:

The enclosed document is the Neely Nuclear Research Center's response to the Nuclear Regulatory Commission concerns regarding progress toward renewed GTRR operation. This is an interim report only. The president of Georgia Tech will soon make the request for renewed operation.

In order to protect personal privacy, some names have been deleted from the document. Others whose names appear gave permission to do so. NRC need not delete those names before placing document in public document room.

Should you have any questions please let me know.

Sincerely,

R. A. Karam, Director
Neely Nuclear Research Center
