Gentlemen:

SUBJECT: AUTHORIZATION FOR TEMPORARY CONTINUED USE OF 3M PO-210 STATIC ELIMINATION DEVICES

In accordance with your letter dated April 21, 1988, and as provided in Section III., Paragraph C, of Order Modifying General License dated February 18, 1988, you are hereby authorized to continue temporary use of 3M Po-210 static elimination devices now in your possession as described below:

<u>3M Model No.</u>	<u>No. of Devices</u>	<u>Location of Use Within Plant</u>
902	1	Components Production Area Clean Room

This authorization expires June 30, 1988, and is contingent upon your performing (or having the following performed):

1. Leak tests of each 3M device at intervals not to exceed 30 days.
2. Contamination surveys of areas surrounding each 3M device at intervals not to exceed 30 days.
3. If compressed air is used with a 3M device, checks of compressed air lines to ensure absence of water, oil, or other foreign material at intervals not to exceed 30 days.

This authorization does NOT permit you to receive new or replacement Po-210 static eliminators from 3M.
