Gentlemen:

This refers to our Confirmatory Action Letters (CAL-RIII-86-01, dated January 31, 1986, and CAL-RIII-86-01A, dated February 4, 1986), relating to the seismic event that occurred on January 31, 1986, in the vicinity of the Perry Nuclear Power Plant. This also refers to the telephone conversation between Mr. A. Kaplan of your staff and Dr. C. J. Paperiello of my staff on March 10, 1986, and your letter of February 12, 1986, on the same topic.

Based on our inspection efforts in this area, the information you supplied to our inspectors and the Seismic Event Evaluation Report which you submitted to NRR, Region III concludes you have met all of your commitments noted in the above Confirmatory Action Letters. Our inspection results will be sent to you in IE Inspection Report 50-440/86005 which is currently under review.

Thank you for your cooperation with us in this matter.

Sincerely,
