Subject: Byron Station Fitness for Duty Allegations  
NRC Docket Nos. 50-454 and 50-455

Reference: (a) Letter from C. Norelius to Cordell Reed  
dated July 29, 1988

Dear Mr. Davis:

Reference (a) informed Commonwealth Edison of a fitness for duty allegation at Byron Station received by the Nuclear Regulatory Commission Region III. (NRC allegation 88-A-0087). An investigation was performed and is contained in Attachment "A".

In a telephone call on August 25, 1988, with Mr. J. Creed, Commonwealth Edison requested an extension for this response. At that time an extension until September 15, 1988, was granted.

The attachment to this letter contains information which is exempt from public disclosure according to 10CFR 2.790(a)(7).

Please address any questions concerning this matter to this office.

Very truly yours,

R. A. Chrzanowski
