P R O C E E D I N G S

1
2 CHAIRMAN PALLADINO: I will ask the Secretary to
3 lead us through the two items on the agenda.

4 MR. HOYLE: Mr. Chairman, there are two items, one
5 of which is an add-on, so I will ask your vote to vote SECY
6 85-333, the title of which is Procedural Amendments to Part 60
7 Dealing with Site Characterization and the Participation of
8 States and Indian Tribes.

9 If I could have your vote to add that one.

10 [Chorus of ayes.]

11 The first item is SECY 86-57A, Extension of the
12 Comanche Peak Construction Permit. The Commission is being
13 asked to act on an order responding to a request filed by the
14 Citizens Association for Sound Energy, seeking Commission
15 action in connection with the extension of the Comanche Peak
16 construction permit.

17 The Chairman, Commissioners Roberts, Bernthal and
18 Zech have approved an order which we circulated to you, which
19 denies both CASE's request for a halt to construction and its
20 request for institution of a new construction permit
21 proceeding, denies their request for a stay of the Staff's
22 extension of the license, rejects CASE's view that significant
23 hazards considerations are involved, and refers CASE's request
24 for enforcement action to the Staff, refers CASE's request for
25 a hearing to the Chairman of the Atomic Safety & Licensing

1 Board Panel for appointment of a hearing board.

2 Commissioner Asselstine disapproved the order,
3 preferring an alternative approach, and has provided separate
4 views which you have seen.

5 May I have you affirm your votes?

6 [Chorus of ayes.]

7 The second item, Procedural Amendments to Part 60,
8 the Commission is being asked to approve for publication final
9 amendments to Part 60.

10 Chairman Palladino, Commissioners Bernthal, Roberts
11 and Zech have approved the proposed changes to the rules with
12 the modifications which we circulated to you, along with a
13 Staff requirements memo.

14 Commissioner Asselstine has approved in part and
15 disapproved in part and will have separate views.

16 May I have you affirm your votes?

17 [Chorus of ayes.]

18 CHAIRMAN PALLADINO: Anything more to come before us
19 on this session?

20 Well, thank you all, and we will stand adjourned.

21 [Whereupon, at 12:30 p.m., the meeting was
22 adjourned.]
