

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

Docket No.: 99900779/88-01

Mr. L. Hinson, President
Nutherm International,
Incorporated
501 South 11th Street
Mount Vernon, Illinois 62864

Dear Mr. Hinson:

This is to confirm the telephone conversation on September 21, 1988, by Mr. J. J. Petrosino of this office with Mr. Sven Akerman of your staff, concerning the inspection at the Mount Vernon, Illinois plant on October 3-7, 1988.

The inspection will relate to implementation of your QA program in regard to the procurement, test and supply of safety-related components.

Your cooperation concerning this matter will be appreciated.

Sincerely,

A handwritten signature in dark ink, appearing to read "E. William Brach".

E. William Brach, Chief
Vendor Inspection Branch
Division of Inspection Reactor and Safeguards
Office of Nuclear Reactor Regulation

cc: Mr. S. V. Akerman, QA Manager
