

Addressee

SEP 27 1988

Dear :

The enclosed information has already been provided in draft form to members of the ACRS Subcommittee on Safeguards and Security. The staff's safety evaluation report is essentially complete except for a small bit of information for our financial review. We also are providing a document related to the basis for our safeguards conclusion. This document is proprietary information as defined by 10 CFR 2.790 and should be handled accordingly, i.e., kept in a locked cabinet when not in use (a safe is not necessary).

The enclosed information is being provided in preparation for the meeting of the full Committee at 11:30 a.m. on Thursday, October 6, 1988. The staff's agenda for the meeting is also enclosed for your information.

Sincerely,

~~ORIGINAL SIGNED BY~~

A. Thomas Clark, Jr.
Advanced Fuel and Special
Facilities Section
Fuel Cycle Safety Branch
Division of Industrial and
Medical Nuclear Safety
