Gentlemen:

This refers to the inspection conducted by Messrs. D. R. Carpenter and B. A. Breslau of this office during the period October 1 - November 30, 1985, of activities authorized by NRC Construction Permits CPPR-128 and 129 for the South Texas Project, Units 1 and 2, and to the discussion of our findings with members of your staff at the conclusion of the inspection.

Areas examined during the inspection included site tours, licensee action on previous inspection findings, preoperational test procedure review and allegation follow up. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspectors. These findings are documented in the enclosed report.

Within the scope of the inspection, no violations or deviations were identified.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Original Signed By
J. E. Gagliardo
