FREEDOM OF INFORMATION ACT REQUEST

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, 5 U.S.C. 522, as amended, the Campaign for a Prosperous Georgia requests the following documents regarding the Safety Evaluation Report for the Vogtle nuclear power plant for the operating license stage. Please consider "documents" to include reports, studies, test results, correspondence, memoranda, meeting notes, meeting minutes, working papers, graphs, charts, diagrams, notes and summaries of conversations and interviews, computer records, and any other forms of written communication, including internal NRC staff memoranda. In your response, please identify which documents correspond to which requests below.

Pursuant to this request, please provide all documents prepared or utilized by, in the possession of, or routed through the NRC related to:

1. Analysis, review and preparation of the Safety Evaluation Report for the operating license stage for the Vogtle Nuclear power plant, including all memoranda, correspondence, and draft inputs.
2. All memoranda, correspondence and studies pertaining to the seismic characteristics of the plant site.

Because the Campaign for a Prosperous Georgia is a non-profit organization serving as a clearinghouse and consumer advocate regarding energy issues in Georgia and is an intervenor in the NRC operating licensing proceedings for Plant Vogtle, we believe it is appropriate for you to waive copying and search charges, pursuant to 5 USC 552 (a)(4)(a). In this case "furnishing the information can be considered as primarily benefitting the general public."

Sincerely,

Laurie Fowler
