Gentlemen:

This is in reference to your application dated March 14, 1988 for a byproduct material license. In order to continue our review, we need the following additional information:

1. Please provide the name of the manufacturer(s) and model number of each detector cell and the name of the manufacturer(s) and model number of each gas chromatography device.
2. Please provide a description of the means of storage for devices when the devices are not in actual use. Devices must be stored in a manner to ensure that they are secure and not subject to unauthorized removal.

We will continue our review upon receipt of this information. Please reply in duplicate to my attention at the Region I office and refer to Mail Control No. 108580.

If we do not receive a reply from you within 30 calendar days from the date of this letter, we shall assume that you do not wish to pursue your application.

Sincerely,
