

50-322

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

JUN 1 1988

Mr. Grant C. Peterson  
Associate Director  
State and Local Programs and Support  
Federal Emergency Management Agent  
500 C Street, SW, R-706  
Washington, DC 20472

Dear Mr. Peterson:

This responds to the question raised in your memorandum of May 31, 1988 to me as to whether the planned FEMA evaluated exercise for the LILCO offsite emergency plan should proceed at this time.

This is to advise you that the Commission has no basis at this time to recommend that the exercise should not proceed as scheduled. We have heard nothing from the applicant which suggests that it has plans other than to proceed with its application for an operating license for the Shureham plant. We have requested the applicant to advise us promptly if it has plans to the contrary.

Sincerely,

A handwritten signature in cursive script, appearing to read "Victor Stello, Jr.".

Victor Stello, Jr.  
Executive Director  
for Operations

Enclosure:  
As stated

88060 80132
