Dear Ms. Diggs:

In your letter dated February 26, 1986 to Mr. P.B. Fiedler relative to Docket No. 50-219, you indicated that we made a \$300.00 overpayment to the Nuclear Regulatory Commission. This overpayment was a result of two applications regarding changes to the snubber Technical Specifications (TSCR No. 100, Revisions 1&2), for which GPU Nuclear Corporation submitted \$150.00 each, being accepted as applications containing supplemental information for our December 10, 1982 application (TSCR No. 100).

Please make a check for \$300.00 payable to GPU Nuclear Corporation, and mail the check to:
