Dugdale Construction Company, Inc.
ATTN: Stan Dugdale
1221 West Woolman
Butte, Montana 59701

Gentlemen:

In accordance with our telephone conversation on September 10, 1988, between you and Ms. Vivian Carlton of our staff, we understand that your company has relocated and that your new mailing address is as given above. We were also informed that Dugdale Construction Company, Inc. was no longer using licensed material. We understand that licensed material was sold prior to departure of the facility on 4801 Hope Road, Butte, Montana, 59701 which is listed on your NRC Material License.

Attached is NRC Form 314 for you to complete. On the NRC Form 314, indicate the description of any radioactive material transferred or sold and closeout surveys of your prior facility for contamination. In your response, indicate the date of your relocation. If you wish to have your NRC license terminated, indicate that also in your response.

Please provide a response to this letter within 10 days of receipt.

Sincerely,

Original Signed By:

CHARLES L. CAIN *for*
