Gentlemen:

Subject: Environmental Qualification (EQ) Enforcement Conference

This letter forwards the NRC report of the August 24, 1988, enforcement conference in the Region I office. At that conference, we discussed the environmental qualification of TMI-1 emergency fan cooling cable. The presentation handout provided by you is included as Attachment A to the enforcement conference report.

After evaluating the information provided by you, we will notify you in writing of our decision on enforcement action on the matters discussed.

Thank you for your cooperation.

Sincerely,

Original Signed By:

Thomas T. Martin, Director  
Division of Reactor Safety  
Region I
