Mr. Dean Chaney
Nuclear Regulatory Commission
Region IV
611 Ryan Plaza Drive, Suite 1000
Arlington, TX 76011

Dear Dean:

Enclosed are the minutes of the May 20, 1988 meeting of the RSB Subcommittee for review of NSC experiments and radiological control.

We are learning a great deal and, at the same time, making progress on the subcommittee report. Again, if you note issues we are overlooking or places where you think we are going astray, please let me know.

Sincerely yours,

Feenan D. Jennings
Executive Director
