

Humacao, September 28, 1987

U.S. NUCLEAR REGULATORY COMMISSION
Region II
101 Marietta St, N.W.
Atlanta, Georgia, 30323

Ref.: Renewal Lic.No.52-16661-02
Program Code: 02210

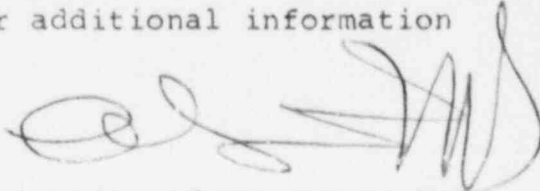

Dear Sirs:

In answer to the Notice of Expiration dated July 1, 1987
I am hereby requesting Renewal of my License No.52-16661-02
for the use of radioactive materials in humans.
In support of this request, please find enclosed the complete
up-to-date Renewal License Application prepared in accordance
with the new revised Regulatory Guide 10.8 Revision 2
(August, 1985). It compiles statements, conditions and procedures
contained in previously submitted application and letters
in order to reflect my current program.

A check for \$580.00 is also enclosed as the proper fee for
the Renewal of a License Category 7C as stated in 10 CFR-
170.31, Schedule of fees for material licenses and other
regulatory services dated May 31, 1984.

I will be glad to provide any other additional information
deemed necessary.

Sincerely yours

Agapito López Rivera, M.D.
