Subject: Oconee Nuclear Station  
Docket Nos. 50-269, -270, -287  
Oconee Security Plan, Revision 16, (Additional Pages)

Dear Dr. Grace:

Pursuant to 10CFR50.54 (p), please find attached five (5) copies of Revision 16, additional pages, to the Oconee Nuclear Station Security Plan. Revision 16, additional pages, was developed based on agreement between your staff and my staff to address CAS/SAS operator assessment and response, SSF related auxiliary service water piping and the initiation of SSF compensatory measures. Specific plan changes are addressed in the attachment. Revision 16, additional pages, does not decrease the effectiveness of the Oconee Nuclear Station Security Plan.

This material is applicable to security provisions at Oconee Nuclear Station; therefore, Duke requests that this material be withheld from public disclosure pursuant to 10CFR73.21.

Very truly yours,

Hal B. Tucker
