MEMORANDUM FOR: Commissioner Gilinsky
Commissioner Roberts
Commissioner Asselstine
Commissioner Bernthal

FROM: Nunzio J. Palladino *NJP*

SUBJECT: TMI-1 STEAM GENERATOR REPAIR SIGNIFICANT
HAZARDS CONSIDERATION

EC
WB
Doran

I was unable to devote sufficient time after our meeting on this matter to finish my decision by today as I had promised. In light of my three days travel next week, I also do not believe that I can be ready for next Friday's meeting as scheduled. With all due consideration of the the other items needing attention before the holidays, I suggest that we postpone our December 16 meeting until after the first of the year.

SECY please track.
