MEMORANDUM FOR: William J. Olmstead
Director & Chief Counsel, Regulations Division
Office of the Executive Legal Director

FROM: Frank L. Ingram
Assistant to the Director
Office of Public Affairs

SUBJECT: FINAL SHOLLY RULE ON SIGNIFICANT HAZARDS CONSIDERATIONS

We have reviewed the draft of the subject rule as transmitted with your November 30 memorandum. In view of the fact that the major change from the two interim final rules, which were announced, is to combine the two, OPA does not believe that a public announcement is necessary.
