

September 29, 1988

Docket No. 50-285

Omaha Public Power District  
ATTN: Ms. D. Matthews, Supervisor  
Nuclear Licensing  
1623 Harney Street  
Omaha, NE 68102

Dear Ms. Matthews:

SUBJECT: USAR UPDATE

While incorporating the latest revision into the Updated Safety Analysis Report, a question with the replacement of Figure 2.10-4 was encountered. Revision 4, dated July 1987, of this figure consisted of 4 sheets. However, only one sheet, Sheet 1 of 4, was provided with this change. Since the list of effective pages in Volume 1 only addressed Figure 2.10-4, it is unclear as to whether Sheets 1 thru 4 of 4 should remain as Revision 4 or these sheets were inadvertently not provided.

Your assistance in resolving this question is appreciated.

Sincerely,

/s/

Patrick D. Milano, Project Manager  
Project Directorate - IV  
Division of Reactor Projects - III,  
IV, V and Special Projects
