OFFICE OF  
DOCKETING

ADVISOR  
SERVICE

Dear Secretary,

At this time I would like to express my opinion in regards to Seabrook low-power testing.

I am totally in favor of the N.R.C.'s proposed clarification of emergency planning requirements for low-power licenses.

This rule would certainly help to expedite the ultimate goal of getting Seabrook on line as soon as possible. I hope you will consider my opinion in making your decision.

Sincerely,

Marcel H. Comtois.
