DOCKET NUMBER
PROPOSED RULE **PR 50**
(53 FR 16435)

(119)

Mr. Secretary,
I Fully support the retention
of the U.S. Nuclear Electricity Pro-
gram. We're way behind France, Switzerland
and many others.

The new plan for "emergency planning"
at Seabrook is a good one. Lets get
this plant on line A.S.A.P.
