Gentlemen:

SUBJECT: NOTICE OF VIOLATION AND PROPOSED IMPOSITION OF CIVIL PENALTY
FOR ENVIRONMENTAL QUALIFICATION DEFICIENCIES

This responds to your letter of September 13, 1988, requesting an extension for responding to our Notice dated August 15, 1988. As D. M. Verrelli discussed with J. D. Woodard on September 22, 1988, we do not endorse much of the bases for your request. We do acknowledge that you are presently developing a response to a separate escalated enforcement action. Accordingly, you are authorized a maximum extension of sixty days to respond to the Notice regarding environmental qualification. Therefore, your response to the Notice is due on November 14, 1988.

We appreciate your cooperation in this matter.

Sincerely,
