

DOCKET NUMBER
PROPOSED RULE

PR 50

May 31

28
90

(53 FR 16435)

Dear Sir. Making my living from farming, mainly
Dairy with a herd + Dairy plant it is necessary to
have power at all times. Therefore I believe
that testing the backup plant is essential to
the well being of all farmers.
I believe that we should get that plant
going + look for more alternatives.

Please sir we may become desperate.

Sincerely,

Edna A. Staff
