FOR AFFIRMATION

MARCH 17, 1983

SECY-83-16B - SHOLLY AMENDMENT

The Commission is being asked to approve publication of proposed and interim final regulations implementing legislation which authorizes NRC to issue (1) temporary operating licenses and (2) requested operating license amendments involving no significant hazards considerations before the conduct of any hearing.

Chairman Palladino and Commissioners Ahearne and Roberts have each voted to approve with a variety of modifications. Commissioner Gilinsky has voted to disapprove and has provided separate views. Commissioner Asselstine has also disapproved and indicated that he will have separate views to be distributed prior to affirmation.

Final resolution of the modifications, including those proposed by the General Counsel, is expected prior to affirmation.

A copy of the latest version, as approved by Commissioners Ahearne and Roberts, is attached.

Additionally, we understand that OGC may have a further comment that they would like to discuss with the Commission at the affirmation session.
