Operator Medical Examination Certification

An updated NRC Form 396 for Michael J. Rocheleau, NRC license number SOP-10683-1, was provided in a letter to the NRC dated October 14, 1998¹. As the result of an administrative error, the form was submitted to the NRC without the required senior site official signature and the vision exam results. A corrected Form 396 and the required exam documentation are enclosed. The enclosure contains personal medical information and therefore should be withheld from public disclosure.
